Immerse your group in the lifestyle of a real voyageur! Discover the traditions, past times and games of one of Canada's favorite folk heroes. These young explorers traveled right across the Northern expanses of Canada to reach forts constructed on all major river systems and even as far as the Pacific and Arctic oceans. That's quite a distance, especially when the birch bark canoe is your only form of transportation. Voyageurs would quite often work 16 hours a day for weeks at a time! They managed to maintain this staggering pace by keeping their spirits up with games, songs, storytelling and of course a jig here and there.

We invite you to join in this "Joie de Vivre" and become an honorary voyageur here at Fort Gibraltar. Each person will receive: a ceinture fléchée (an essential piece of voyageur garb) as well as a voyageur songbook to compose the best music in the Northwest, you shall also be treated to a traditional meal in *La Maison du Bourgeois*.

Before you dine however we ask that you work up a bit of an appetite. Let our experienced costumed interpreters guide you through this unique experience with an array of special activities and interactive presentations.
